Scotland's Towns Partnership invites you to the fourth meeting of Session Six of the Cross Party Group on Towns and Town Centres. The meeting will incorporate the CPG's Annual General Meeting.

The September meeting will focus on the Climate Emergency and will invite a range of expert speakers from across related sectors to provide information and discussion on environmental and NetZero solutions for regeneration, active travel, tourism and culture.

The session will be Chaired by the CPG Convener [Siobhian Brown MSP](#). More details on the CPG can be [found here](#).
